J & M Grain Carts

- Patented Front-Folding Auger and Tank Design
- 525, 620, or 750 or 875 Bushel Capacity
- 14", 16" or 18" Diameter Auger
- 100% Visibility of Auger While Unloading and Folding

J&M's patented design positions the unloading auger closer to the tractor cab for **100% visibility**.

Single auger and corner sump design allows grain inside the tank to flow to a single point, providing **fast, easy and complete clean-out**

Flow control spout easily corrects auger position on too close or too far away approaches...all from inside the tractor cab!
